Reading Comprehension

Прочитайте текст. Установите соответствие заголовков А-Н абзацам текста 1-7. Занесите свои ответы в таблицу (вставив буквы А-Н). Используйте каждую букву только один раз. В задании одна тема лишняя.

- A. Just in time
- B. Just in case
- C. Eventful life
- D. A curious case
- E. Reduced Expectations
- F. Royal brother
- G. Royal ancestor
- H. Double trouble

1. I am a mother of identical, mirror-image boys — David and John. No one but me can tell them apart. I am constantly amazed at how close they are. Once when they were babies David was ill, but it was John who began crying wildly. I tried to calm John first since nothing was wrong with him. But he only cried louder. Finally I gave some medicine to David — who really was unwell. As soon as John sensed his brother felt better, he immediately settled to sleep.

2. The 12 year old was playing near the Platte River in North Bend, Nebraska. The river was high and as the boy stepped in, the current pushed his legs away. He floated off, spinning in the powerful current. At the last possible moment before the rapids, his yells were heard by his dog. It jumped in, reached the boy and towed him ashore. Another second and the boy would have been swept away to certain death.

3. Armgaard Karl Graves, referred to in press reports as ‘the Glasgow Spy’, was convicted in Scotland under the Official Secrets Act (1911) for spying on the British Navy. He spent years successfully creating an identity as an Australian doctor and in Scotland even conducted important clinical experiments. But he was eventually caught by a suspicious post office worker as he sent and received post under a variety of assumed names.

4. Zsa Zsa Gabor was born in Budapest on February 6th, 1917. Now in her 90s she has had a long and varied life. She was a beauty queen and singer before becoming a famous screen actress. She was married 8 times but only had one child with second husband, Conrad Hilton. Her last marriage to Frederic von Anhalt gave her the honorary title Prinzessin von Anhalt.

5. “Who do you think you are” is one of my favourite TV programs. Each episode researches the family history of a celebrity, back into the mists of time. In the UK there are good records of births, marriages and deaths going back hundreds of-years. One of the best episodes was on Boris Johnson, the Mayor of London. He was thrilled when he discovered he was directly related to King George II.

6. Paris Hilton is a famous socialite, media personality, actress, model and singer. In 2007 her

grandfather Barron Hilton pledged 97% of his estate — a value of more than 2 billion US dollars — to a charitable foundation. Many now believe that Paris and the other grandchildren have had their potential inheritance sharply reduced. Others have commented that this news was unlikely to change her future life style.

7. Andy always travels well equipped for any potential possibility. He has a sewing repair kit and a small medical kit with aspirin. These are, I suppose, perfectly sensible. But what about a ball of string, tape measure, masking tape, Swiss army penknife, disposable cutlery, disinfectant, dry bags and an inflatable back rest? Andy says you never know what might happen and it's always best to be prepared.
